

A Bill for a Professional Standards Ordinance Amendment Ordinance 2017

Explanatory Memorandum

The proposal is that the Secretary of the Board undertake the functions assigned to the Diocesan Business Manager in the Review Process to increase actual and perceived independence of this part of the process from the ordinary operations of the Diocese.

The office of Diocesan Business Manager is only mentioned in part 12 of the Ordinance.

The Secretary of the Board is appointed to facilitate the processes of the Board and the Review Board. They have no decision-making role in the process.
